Enrolling in Classes

After the application is processed at the college, students will receive a letter outlining additional steps to access SURF, MiraCosta College's online enrollment and student information management system. Student ID numbers (also known as SURF IDs) are required in order to use the online system. ID numbers are NOT sent to the students. Students are required to retrieve their own student ID number and set up a password online at surf.miracosta.edu. Student tutorials are also available at miracosta.edu/tutorials.

Wait Lists

While enrolling in SURF, students may select the wait list option for a closed class. Beginning on the first day of classes, student enrollment into closed classes will be at the discretion of the instructor. The student must attend the class on the first day and have an add card signed by the instructor to be enrolled into the class.

Adding/Dropping Classes

Changes to your class schedule may be made online using SURF (surf.miracosta.edu) or in person at the Community Learning Center. Students are responsible for officially dropping a course. You will not be mailed a confirmation of enrollment. Please print your class schedule from SURF. The last day to add summer classes is July 22 and October 28 for fall classes (excluding adult high school, Cisco, and English as a second language classes).

Attendance at First Class Meeting

To ensure your place in a class, attend the first class meeting on time. Instructors may drop absent students to make room for students wishing to add the class. If you decide not to continue in a class for which you have enrolled, it is your responsibility to drop the class officially by using SURF or by submitting a drop card to the Community Learning Center.

Class Cancellations

Classes may be canceled due to insufficient enrollment. Every attempt will be made to contact students by email or telephone before the class meets. Students do not need to drop a canceled class.

Parking Permits

Parking permits are required when parking at the Community Learning Center (CLC), Oceanside, and San Elijo campuses Monday-Saturday. All vehicles not displaying a valid permit will be ticketed starting June 20 for summer intersession and August 29 for fall semester. Students may not park in staff spaces. Parking permits may be purchased for \$17.50 for the CLC or \$35 for the Oceanside or San Elijo Campuses. Parking permits purchased for the CLC are not valid at the Oceanside and San Elijo campuses.

Vending machines that sell day passes are located at all three campuses. Community Learning Center day pass may be purchased for 50 cents and the San Elijo and Oceanside Campus day passes may be purchased for \$1. All visitors must purchase a day pass Monday-Saturday. Parking permits are non-refundable once purchased.

You may also submit a **Noncredit Application for Admission** and enroll in classes in person or by mail on or after May 18 for summer and on or after July 20 for fall.
