COMMUNITY LEARNING CENTER

1831 Mission Avenue, Oceanside, CA 92058

After the application is processed at the college, students will receive a letter outlining additional steps to access SURF, MiraCosta College's online enrollment and student information management system. Student ID numbers (also known as SURF IDs) are required in order to use the online system. ID numbers are NOT sent to the students. Students are required to retrieve their own student ID number and set up a password online at [www.miracosta.edu/surf](http://www.miracosta.edu/surf). Student tutorials are also available at [www.miracosta.edu/surf/tutorials](http://www.miracosta.edu/surf/tutorials).

While enrolling in SURF, students may select the wait list option for a closed class. Beginning on the first day of classes, student enrollment into closed classes will be at the discretion of the instructor. The student must attend the class on the first day and have an add card signed by the instructor to be enrolled into the class.

Changes to your class schedule may be made online using SURF ([www.miracosta.edu/surf](http://www.miracosta.edu/surf)) or in person at the Community Learning Center. Students are responsible for officially dropping a course. You will not be mailed a confirmation of enrollment. Please print your class schedule from SURF. The last day to add classes is April 8, 2016 (excluding adult high school, Cisco, and English as a second language classes).

To ensure your place in a class, attend the first class meeting on time. Instructors may drop absent students to make room for students wishing to add the class. If you decide not to continue in a class for which you have enrolled, it is your responsibility to drop the class officially by using SURF or by submitting a drop card to the Community Learning Center.

Classes may be canceled due to insufficient enrollment. Every attempt will be made to contact students by email or telephone before the class meets. Students do not need to drop a canceled class.

Parking permits are required when parking at the Community Learning Center (CLC), Oceanside, and San Elijo campuses Monday-Saturday. All vehicles not displaying a valid permit will be ticketed starting February 1, 2016. Students may not park in staff spaces.
