## **Assembly Bill No. 48**

An act to amend Section 12525.2 of the Government Code, and to add Sections 13652 and 13652.1 to the Penal Code, relating to law enforcement.

[ Approved by Governor September 30, 2021. Filed with Secretary of State September 30, 2021. ]

### LEGISLATIVE COUNSEL S DIGEST

AB 48, Lorena Gonzalez. Law enforcement: use of force.

(1) Existing law authorizes a peace officer to use reasonable force to effect the arrest, to prevent escape, or to overcome resistance. Existing law requires law enforcement agencies to maintain a policy on the use of force, as specified. Existing law requires the Commission on Peace Officer Standards and Training to implement courses of instruction for the regular and periodic training of law enforcement officers in the use of force.

This bill would prohibit the use of kinetic energy projectiles or chemical agents by any lawenforc16cal y orce.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs

(2) Repeated, audible announcements are made announcing the intent to use kinetic energy projectiles and chemical agents and the type to be used, when objectively reasonable to do so. The announcements shall be made from various locations, if necessary, and delivered in multiple languages, if appropriate.

(3) Persons are given an objectively reasonable opportunity to disperse and leave the scene.

(4) An objectively reasonable effort has been made to identify persons engaged in violent acts and those who are not, and kinetic energy projectiles or chemical agents are targeted toward those individuals engaged in violent acts. Projectiles shall not be aimed indiscriminately into a crowd or group of persons.

(5) Kinetic energy projectiles and chemical agents are used only with the frequency, intensity, and in a manner that is proportional to the threat and objectively reasonable.

(6) Officers shall minimize the possible incidental impact of their use of kinetic energy projectiles and chemical agents on bystanders, medical personnel, journalists, or other unintended targets.

(7) An objectively reasonable effort has been made to extract individuals in distress.

(8) Medical assistance is promptly provided, if properly trained personnel are present, or procured, for injured persons, when it is reasonable and safe to do so.

(9) Kinetic energy projectiles shall not be aimed at the head, neck, or any other vital organs.

(10) Kinetic energy projectiles or chemical agents shall not be used by any law enforcement agency solely due to any of the following:

(A) A violation of an imposed curfew.

(B) A verbal threat.

(C) Noncompliance with a law enforcement directive.

(11) If the chemical agent to be deployed is tear gas, only a commanding officer at the scene of the assembly, protest, or demonstration may authorize the use of tear gas.

(c) This section does not prevent a law enforcement agency from adopting more stringent policies.

(d) For the purposes of this section, the following terms have the following meanings:

(1) "Kinetic energy projectiles" means any type of device designed as less lethal, to be launched from any device as a projectile that may cause bodily injury through the transfer of kinetic energy and blunt force trauma. For purposes of this section, the term includes, but is not limited to, items commonly referred to as rubber bullets, plastic bullets, beanbag rounds, and foam tipped plastic rounds.

(2) "Chemical agents" means any chemical that can rapidly produce sensory irritation or disabling physical effects in humans, which disappear within a short time following termination of exposure. For purposes of this section, the term includes, but is not limited to, chloroacetophenone tear gas, commonly known as CN tear gas; 2-chlorobenzalmalononitrile gas, commonly known as CS gas; and items commonly referred to as pepper balls, pepper spray, or oleoresin capsicum.

(e) This section does not apply within any county detention facility or any correctional facility of the Department of Corrections and Rehabilitation.

**SEC. 3.** Section 13652.1 is added to the Penal Code, to read:

(a) Each law enforcement agency shall, within 60 days of each incident, publish a summary on its internet website of all instances in which a peace officer employed by that agency uses a kinetic energy projectile or chemical agent, as those terms are defined in Section 13652, for crowd control. However, an agency may extend that period for another 30 days if they demonstrate just cause, but in no case longer than 90 days from the time of the incident.

(b) For each incident reported under subdivision (a), the summary shall be limited to that information known to the agency at the time of the report and shall include only the following:

(1) A description of the assembly, protest, demonstration, or incident, including the approximate crowd size and the number of officers involved.
