STANDARD PAYMENT PLAN CONTRACT

All payments may be paid before the due date. Any payments received after the due dates listed may incur a \$15.00 late fee. In the event that late payments are not received within 15 days of payment due date, a hold may be placed on the vehicle's registration with the DMV, and the vehicle cannot be registered in the state of California until all fines are paid.

If the citation has been previously sent to our collection agency then the collection agency handling the parking violations will be notified of the payment plan and citation(s) will be put on a freeze/hold. Once payment plan is finalized, the citation(s) will be released. If the Citation(s) that is enrolled in the payment plan is on a DMV hold, the DMV hold will not be released until payment plan is fully completed.

In the event that further payments are not received, the citation will be turned back over to the collection agency to collect any out. 31opt70ing paym
