

The associate degree at MiraCosta College provides a framework within which students complete patterns of learning experiences designed to develop capabilities and insights to support their academic and career goals. Among these capabilities and insights are competencies that comprise a general education curriculum. These competencies include the ability

- to think critically and communicate clearly and effectively both orally and in writing,
- to locate, evaluate, and use needed information effectively,
- to engage with diverse perspectives,
- to use quantitative reasoning,
- to understand the modes of inquiry of the major disciplines,
- to be aware of other cultures and times,
- to achieve insights gained through experience in thinking about ethical problems,
- and
- to develop the capacity for self-understanding.

In addition to these competencies, students graduating with an associate degree shall possess sufficient depth in some field of knowledge to contribute to lifetime interest and career pursuit. Majors or areas of emphasis that provide this depth are composed of a minimum of eighteen (18) units. (See Administrative Procedure 4100: Graduation Requirements for Degrees and Certificates.)

The MiraCosta College general education pattern (Plan A) for the associate in arts and associate in science degree includes the completion of three units each in Areas 1A and 1B, and three units each in Areas 2 through 6 for a minimum of 21 units. Courses listed in two different areas (1–6) may be used to satisfy a requirement in one area but not both. A course listed in any area (1–6) may satisfy both a general education and a major or area of emphasis requirement.

The Courses and Programs Committee (CPC) determines which courses can be used
