

Requirements f

6. Courses completed at other institutions accredited by a nationally recognized accrediting agency will be evaluated for counting toward associate degree requirements based on C-ID number or course description, comparable or equivalent content, and appropriate prerequisites to ensure they meet or exceed the standards of the California Community Colleges. Students may be required to provide a course outline and/or a syllabus to determine course comparability and a transcript to verify prerequisite completion.
7. International courses will be evaluated for counting toward associate degree requirements only when course descriptions are submitted.

F. Complete a minimum of 12 semester units in residence within the district.

Multiple Degrees

Students who are in progress to complete or who have previously been awarded a MiraCosta College associate degree may be qualified f

2. Obtain a "C" or "P" or better in each course counted toward the certificate. Courses completed with a C- at other institutions accredited by a nationally recognized accrediting agency may be used to complete this requirement, except in programs such as Registered Nursing and Licensed Vocational Nursing, which are overseen by external accrediting agencies, that do not allow a C-.
3. Complete at least six units, or the maximum number of units required for the certificate, whichever is less, in residence at MiraCosta College.
