- B. In instances when private funds are needed to pay for immediate remodeling, renovation, and/or construction, donations made through irrevocable deferred gift techniques shall not be accepted. A naming opportunity may, however, be accepted for an existing, unnamed facility not requiring major remodeling or renovation as long as the irrevocable deferred gift technique has been analyzed and approved by an actuarial study and depreciated over the life expectancy of the donor.
- C. The Board of Trustees shall take into consideration the significance and amount of the proposed gift or gifts or service as either or both relate to the realization, completion, or enhancement of a facility or property or college program.

### **Replacement of a Name**

The district shall honor a facility naming opportunity for a period of a minimum of 30 years, unless otherwise noted at the time of the naming, and, if a name is associated with a program, for a specified period of time as noted in the gift agreement at the time of the naming in the board resolution.

In the event that a name must be removed during the remodeling of a facility or if a facility is destroyed in a natural disaster and is rebuilt for its original purpose during that at least 30-year period, recognition shall be replaced according to the original naming resolution.

In the event a building or facility is completely replaced with new construction, not due to a natural disaster, or its purpose is drastically altered through remodeling, the board reserves the right to add to or alter the naming opportunities of the new facility. In such a case, the original naming recognition shall be suitably commemorated in the new facility, e.g. by a plaque placed in a prominent location.

When a facility or portion of a facility is proposed for renaming, the district shall make all reasonable efforts to inform in advance the original donors or honorees and their immediate family members.

Only in extraordinary circumstances would the name of a facility that ceases to exist be moved to another facility, and then only by vote of the Board of Trustees.

If at any time following the approval of a naming, circumstances change substantially so that the continued use of the name may compromise the public trust, the Board of Trustees reserves the right to remove a name from any and all named facilities or programs. The superintendent/president shall convene an ad hoc committee to discuss the circumstances surrounding the issue and make a recommendation to the Board of
