

## Introduction

The Mira Costa Community College District is committed to providing a safe and healthy environment.

MiraCosta College will cooperate with local health officials by taking any measures necessary for the prevention and control of diseases in employees.

MiraCosta College will comply with any immunization program recommended or required by the California Department of Public Health (CDPH).

Student Health Services medical team shall function as a liaison to the appropriate local public health authority when communicable disease issues involve the district, including the reporting of communicable disease measures to appropriate district departments.

## Tuberculosis Risk Assessment

~~Each certificate shall be submitted by a physician and attributed by code.~~

~~Examination is conducted not more than six months before the expiration of the certificate and is at the expense of the applicant.~~

~~Each certificate becomes a part of the personnel record of the employee and is loaned to the employee or their designee.~~

Administrative Procedure 7336, Certification of Freedom from Tuberculosis.
