

The MiraCosta Community College District (MCCD) is committed to promoting Measure MM contract opportunities to all contractors, professional service providers, vendors, and other businesses, with an emphasis on those companies located within the MCCD boundaries; greater San Diego County; are considered regionally local within a 50-mile radius north and northeast of MiraCosta College's Oceanside campus; and/or who have a certification as a small, disadvantaged, minority, woman, or disabled veteran business enterprise.

These small business groups may be eligible for no-cost business counseling through the Small Business Development Center, based at MiraCosta's Technology Career Institute, located in Carlsbad. The SBDC is dedicated to increasing the economic vitality

All MCCD public works projects estimated to be below \$175,000 will utilize informal bidding procedures in compliance with the state's Public Contract Code 22032. Contractors interested in bidding on these projects are asked to complete and submit public works agreement documents so they may be included

All projects estimated at above \$175,000 will utilize formal bidding procedures in compliance with Public Contract Code, section 22037.
