**MEDIA ARTS & TECHNOLOGIES**

This brochure was funded by the Strengthening Career and Technical Education for the 21st Century Act (21-C01-050) awarded to MiraCosta College and administered by the California Community College Chancellor's Office. MiraCosta College shall provide access to educational programs and employment practices, and shall not discriminate based on accent, age, ancestry, citizenship status, color, disability, economic status, ethnic group

## WHO WE ARE

The Media Arts and Technologies Department (MAT) at MiraCosta College offers courses and programs in graphic design, web design and development, digital imaging and illustration, interactive media design, print publishing, video, and animation. The department currently offers over 30 courses, seven certificates, and two Associate in Arts Degrees.

## WHAT WE DO

We strive to teach our students how to develop solid concepts,
