· MiraCosta College acknowledges that the required Certification and Agreement form was signed and submitted to the Department and assures that no less than 50% of the funds have and will be used to provide direct emergency grants to students.

(2) The total amount of funds that the institution will receive or has received from the Department pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students.

- Approximately 21,447 students at MiraCosta College may be eligible to participate.

(5) The total number of students who have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.

- The total number of students who have received a grant as of September 30, 2021 is 10,225.

(6) The method(s) used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act.

- MiraCosta College based the spring 2020 distribution on the number of Title IV eligible students. The amount of \$500 was chosen based on data indicating that the amount is significant enough to provide meaningful assistance while allowing for the maximum number of recipients. Subsequently, recipients were only required to be enrolled in at least one course at MiraCosta College after the census date. As of summer 2021, the amount was raised to \$1,000. In fall 2021, the amount was increased to \$1,500. It is possible for a student to receive a grant more than once.

(7) Any instructions, directions, or guidance provided by the institution to students concerning the Emergency Financial Aid Grants.

- MiraCosta Emergency Grant applications will be processed while funds are available. We will consider applications in order of receipt. Please submit one application only. Only currently enrolled students in Fall 2020 courses at MiraCosta College are eligible for this Emergency Grant. Students who received the Emergency Grant previously are eligible to apply for the Fall 2020 emergency grant. Applications will be processed starting September 8th (for students who are still enrolled in Fall 2020) and will continue until funds are exhausted. The college continues to process grants, updated guidance and the application can be found [here](#).
