

Need Money for College?

Doesn't everybody?

Unfortunately, in efforts to pay the bills, many students fall prey to scholarship Scams.

The Federal Trade Commission (FTC) <http://www.ftc.gov/scholarshipscams> cautions students to look for tell tale lines:

- "The scholarship is guaranteed or your money back." or "You can't get this information anywhere else."
- "I just need your credit card or bank account number to hold this scholarship."
- "We'll do all t "The scholarship will cost some money."
- "You've been selected by a 'national foundation' to receive a scholarship" or "You're a finalist" in a contest you never entered.

Information for Students and Parents
