

# Sample Career Path

People take different pathways through their careers, but no one starts at the top. This is an example of how the earnings, education and experience requirements, and responsibilities might progress for someone in these occupations.

<b>Title</b>	Entry-Level Accountant	
<b>Average Starting Salary (New Graduates)</b>	\$51,882	Pay Scale.com-Accountant Salary (Unites States) <a href="http://www.payscale.com/research/US/Job=Accountant/Salary">http://www.payscale.com/research/US/Job=Accountant/Salary</a>
<b>Requirements</b>	• Bachelor's degree	

## Responsibilities
